

Tenuta di Murlo

Villa Molinella

Villa Molinella

Tucked away within the valley of Murlo, alongside one of the picturesque streams of the Estate, lies Villa Molinella.

Molinella is the ultimate retreat for those looking to live in splendid seclusion, taking pleasure from the wonders of nature. Guests can bask in the morning sunshine surrounded by the peaceful sound of the river whilst enjoying their morning espresso. We then recommend venturing on walks to seek out the natural pools nearby before returning to relax in the private underground jacuzzi within the ancient vault of this restored XIII century mill.
